

### **Bastrop Youth Football Organization Sponsor Reform Program**

The Bastrop Youth Football Organization Sponsor Program is established to help families who would like to defer the cost of registration. Participants will solicit “new sponsorships” or “increased sponsorships” on behalf of BYFO. Upon receipt and deposit of the sponsorship dollars a refund check will be remitted to the parent designated by the Sponsoring entity. Please be sure to read the details of this program carefully as set forth below

- If the sponsor did not contribute cash (in-kind contributions are not counted) to BYFO in the previous year then they are eligible for this Program. If a submitting sponsor contributes more than \$100 from the previous year they are eligible for this program.
- Refunds will not be extended to anyone who has not paid their registration in full by August 28, 2011.
- Refunds will only be remitted once the sponsorship has been deposited.
- Refunds will only be remitted to the parent/guardian identified by the Sponsor. In the event that a designee has not been provided, BYFO will contact the Sponsor and solicit the sponsored child.
- A \$50 refund will be remitted if a sponsor gives \$100 or increases their giving by more than \$100 but less than \$250 over the preceding year.
- A \$100 refund will be remitted if a sponsor gives greater than \$250 or increases their giving by more than \$250 over the preceding year.
- Registrants can solicit more than one sponsor but in no instance may the registrant obtain a refund greater than their paid registration. This means that registrants that seek to use both scholarship funds and the Sponsorship Program may not be refunded more than the monies they have paid BYFO.
- BYFO shall remit refund checks within 14 days of depositing the funds.
- All questions concerning the status of refunds should be directed to the BYFO Treasurer
- All questions concerning sponsorships should be directed to the BYFO Sponsorship Director
- BYFO has the right to refuse funds from any sponsor and attempts to subrogate the intent of this program will be decided by a vote of the Board. All Board decisions are final.

**Receipts will be sent to all sponsors. BYFO Tax ID # 74-2827477**
